

Welcome to Studley Entaco Bowls Club

- We are a friendly flat green bowls club that encourages people, of all ages, to try out the pastime of outdoor bowling. We hope you enjoy your time with us and can make new friends amongst the bowling community for many years ahead.
- Whether you are a complete beginner or an experienced bowler, you are invited to use our green and meet our members.
- We appreciate that joining a new club can sometimes be a little daunting, but you have taken your first step towards a new and fun pastime. Whether you are looking for a new social hobby, want more gentle exercise or become an accomplished player we will help you.
- Come along any Tuesday afternoon, from 2 pm until 4 pm or Thursday evening, from 6 pm until 8 pm, and either join in our roll up sessions or get individual instruction from one of our experienced players or coach.
- We have all the equipment for you, just wear comfortable casual clothes and flat soled shoes.
- It is free to try for beginners for the first month.
- After that time adult membership is just £75 per year for a full season of bowling.
- Membership allows you unlimited use of the green and the opportunity to take part in 60 games against other clubs during the season, club competitions and weekly roll-up sessions.
- If you want to know more, please contact our Secretary, Richard Turner, on 07484834482.
